Mangalore,
Dated 7- 1947.

To

His Excellency the Governor of Madras,
Madras.

MAY IT PLEASE YOUR EXCELLENCY,

We the undersigned Muslim parents of Mangalore, South Kanara District beg thekind permission of your Excellency to place before Your Excellency the following facts for your Excellency Kind consideration praying the necessary promtive action..

7 We the Muslim of this District are in a great difficulty now in the matter of education having no Urdu as the second language in the College classes in this District. This the year before last, at least there had been exemption for the second language but now the provision is stopped once and for all. Hence we are handicaped with regards to the imparting collegeate studies to our children..

This year over 20 Muslim students have passed the S.S.L.C examination from different Schools of this Mangalore Town. Out of these 13 students are from Canara High School with Urdu as second language. Now having no provision for Urdu in the College classes in this district our children who have passed the S.S.L.C Examination are on the horns of dilemma as regards the further studies when it isthe ordent and fervent desire of we parents to send our children for higher studies to better the prospects of our children. When we approach the college authorities seekingadmission for our children to the University class, admission is flatly refused sayingthat there is no provision for Urdu..

We are given to understandthat there is provision for Urdu in the Branden College, Tellicherry, North Malabar. But it is not possible for us to afford to sendour children to the Colleges which are outside our district because of thehard pressing pecuniary difficulties.

Therefore we the undersigned humbly pray that your Excellency sympethising with our grievences may kindly cause to appoint an Urdu Master in the Mangalore Government College immediately and enable our children to presecute higher studies.. Otherwise our children have to discontinue their studies mainly for wantofUrdu as the second language in the University classes..

In resubmitting the representation referred to me in the above Endorsement, I have the honour to state that on receipt of similar requests in this office, the University was addressed to state whether permission to teach Urdu under Part II of the Intermediate would be granted. The Registrar has intimated that while regular classes cannot be conducted under Part II of the Junior Intermediate class as affiliation was not obtained in time, but the students may be admitted with Urdu under Part II, and that they be granted exemption from attendance for the current year. The Principal has bee
